1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a current customer of Dominion Energy, who is very concerned about the company's request to increase its rates in the middle of a pandemic.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Dominion Energy continues to generate excess revenues and pay regular dividends (up 2.5% year-over-year) to its shareholders. Yet, while coronavirus cases are rising statewide and nationally, and many SC households are continuing to struggle financially, the company is requesting to increase rates by 7.7% - pushing the average monthly bill to \$131.99.

This rate increase, which would impact 753,000 customers, is terribly timed, socially irresponsible and purely corporate greed.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes
